

# Supply Wish List

---

If you're interested in supporting The Arc please see our ["Supply Wish List"](#) below. The purpose of the wish list is to collect unneeded, gently used, and new supplies that will be made available to people with intellectual and developmental disabilities served in Amador and Calaveras counties. The supply drive will also directly support [ArCreations! And Talent Show](#) programs developed to support artists with developmental disabilities create, exhibit, perform and sell art.
