## Father's Day

My father is in heaven.

Some of the best memories of my dad are when I would get him the Sunday paper and then he would serve me breakfast. On father's day I spend time with my brother, we go out to eat at Olive Garden to remember my father. I still love my dad very much; I often wonder what heaven is like for him.

I remember when I was a freshman in high school my dad took me to the 49ers wild card playoff game they played the New York Giants and the 49ers ended up winning that game it was a lot of fun. Then a couple years ago we went to a 49ers and saints game the 49ers won that one too.

## Sheriff Election by Pat D.

THE Sheriff election for Amador County is on June 7th 2022. The candidates for this Election are Ryan Gillaspie, Gary Redman and Patrick Weart. Ryan Gillaspie has been a part of the Amador County Sheriff Office since 2000. In that time he has done many jobs including being a K-9 handler which I think is the coolest job. The most fascinating fact I learned about Gary Redman, is that he has a total of 29 years of law enforcement experience. The things that got me most excited when learning about Patrick Weart are that he was a Firefighter/EMT in 1994 when I was born AND an ATV instructor. Its Important to vote for our next sheriff because to me voting is good for the community and making our voices are heard.
