COLLEGE ROWING AND CREWBY BRETT J. ASWORTH

Hi my name is Brett J. Ashworth and I'm doing an article on college rowing and crew and it's an Olympic sport since 1900 and it's the oldest sport ever and it's a spring sport also. So, here is the all the Division I conference websites that have it: www.theamerican.org, www.atlatnic10.com, www.theacc.com, www.bigten.org, www.big12sports.com, www.caasports.com, www.patriotleague.org, www.pac-12.com, www.ivyleague.com, www.maacsports.com, and www.wccsports.com and the teams that are in the rowing section the American Athletic Conference are: Old Dominion, Sacramento State, SMU, Tulsa, Temple, Tulane and UCF and they are 7 teams in this conference. The Atlantic Coast Conference has Boston College, Clemson, Duke, Virginia, Louisville, Miami (Florida), North Carolina, Syracuse, Notre Dame, and they have 9 teams in this conference the Atlantic 10 Conference has: Dayton, Duquesne, Fordham, George Mason, George Washington, La Salle, Massachusetts, Rhode Island and St. Joseph's and it has like 9 teams the Big Ten has: Indiana, Iowa, Michigan, Michigan State, Minnesota, Wisconsin, Ohio State and Rutgers it has 8 teams in the conference. The Big 12 Conference has Alabama, Kansas and Kansas State, Oklahoma, Tennessee, Texas and West Virginia it has like 9 teams in the Conference and the Colonial Athletic Association has Delaware, Drexel, Eastern Michigan, Northeastern, UC San Diego, Connecticut, and Villanova it has like 7 teams and the Ivy League has Brown, Columbia, Cornell, Harvard, Pennsylvania, Princeton and Yale and it has like 8 teams in it the Metro Atlantic Athletic Conference has Fairfield, Iona, Canisius, Manhattan, Drake, Jacksonville, Robert Morris, Sacred Heart and Stetson and it has like 9 teams the Pac-12 has Washington and Washington State, Oregon State, Stanford, UC-Berkeley (Bay Area Schools) UCLA and USC and it has like 8 teams and the Patriot League has Boston University, Bucknell, Colgate, Lehigh, Loyola (Maryland) MIT and Navy and it has 8 teams last but not least is the West Coast Conference and it has Creighton, Gonzaga, Loyola Marymount, Portland Saint Mary's (SMC), San Diego and Santa Clara. Here are all of the members that have been on a rowing: Stern Pair, Middle Crew, Bow Pair the Rowers, Steering, Boat rigging, Coxswain (cox) I haven't watched Rowing because I didn't get involved in it so this is the only sport that I have to watch to get involved in it. It has heavyweight or open weight collegiate crews. And they also have 16 top crews and all the races have 2,000 meters and it has (6,562 ft) long. The Rowing championships founded in 1997. The Ivy League winner goes straight to Varsity Eight winner and they are another 11 at-large spots Men's Rowing began in 1895-present and Women's Rowing began in 1971-present. Brown from the Ivy League has the most championships ever they have like 7. Women's Rowing Championship started in 1980 in Oak Ridge, Tennessee and the very first was clearly open to collegiate rowing teams and the NCAA requires for colleges to enter the races and the races are two eight-oared each week the 11 conferences by the commissioner have to make a really hard choice of each 13 conferences a for the rowing or crew of the week.

The following is a spotlight of our Kimo Kamakaalohaamaikalani in a recent VMRC Health Advisory

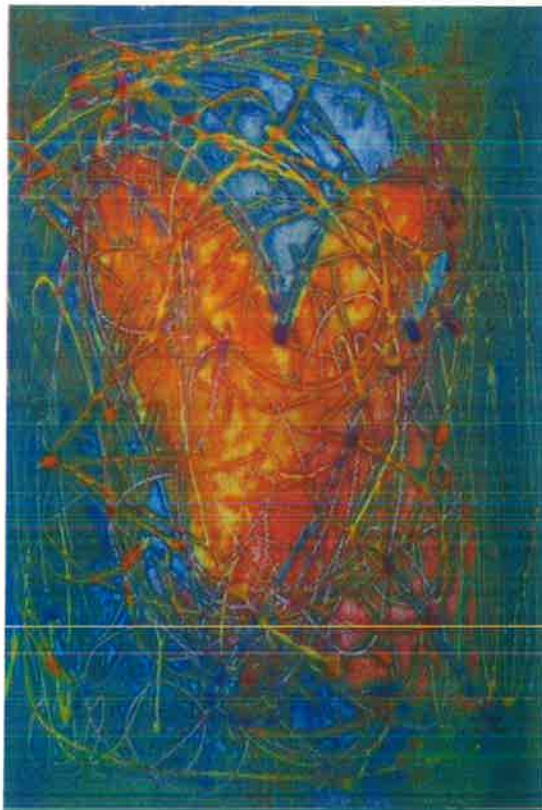

SPOTLIGHT ON Kimo Kamakaalohaamaikalani (James Briones)!!

Meet Kimo! He has been independent and on his own, since his mom passed away. His family was supportive and sometimes got in the way to tell him he can't have a cell phone or have a checking account. When he asked questions about his money, his family would tell him he didn't have enough money to buy things he needed. He was living with his sister, but she had rules that didn't make sense for him. So, Kimo decided he needed to get his life in order and do things his own way. His sister helped him move into a care home. He didn't really like the structure of the care home and the cost of the care home. Kimo made a decision – he needed to be more independent and live his life his way!!

After living with other family members and not living life on his own terms, he finally moved into his own place! He met a friend who had a place that Kimo could move into. He's become even more independent while living on his own. He attends day program to learn advocacy skills and make his own choices! He manages his money, works, and takes care of his home.

Kimo encourages you to practice your self-advocacy skills, speak up and live your best life!
