For my birthday this year I want to go to Johns Incredible Pizza and Scandia. I hope that I can get a sand timer for my birthday. I Do Not want a chocolate cake.

Camp By: Josh

At the end of July I camp at Ronald McDonald at Eagle Lake. I get to perform in the talent show and do art and crafts. I also enjoy swimming and archery. There is even a scavenger hunt, hiking, and fishing! I really enjoy the movies there too. I wonder if I will need to wear my mask at camp.
