Father's Day By: Elyse

This year we celebrate Father's Day on June 18th. On this day we give fathers a shout out with our love, kindness, and gifts. For my dad this year we are going to a play at Kennedy Mine. I am planning on making him a card too! In the past we have gone to Silver Lake to camp, we have gone fishing, and even gone on a hike. One of my favorite memories with my dad is when we went on a bike ride together. It was really cool because we have a two seated bike. Another sweet thing to do for dad is a nice foot rube. I love my dad because he always gives us hugs before he leaves.

## What's Happening in June?!

By: Ken

Its June! The Pool has opened on June 7th! Don't forget a towel, swimsuit, and goggles! Remember to put on your sunscreen! There is also the Burger Bash every Friday at the Buffalo Chips Emporium on Main Street Sutter Creek! They have a different burger every week from 5pm to 8pm.

Summer Fashion for the Lake  
By: Sharly and Danielle

The girls plan a trip to the lake and go out for shopping for supplies. Things to pick up are:

- Colorful bathing suit
- Black cover up
- Dresses
- Tank tops
- Shorts
- Jewelry
- Make up
- Sun block

We are also going to need a swim bag to put our stuff in. Last stop the gas station to fill up the car. We head home to grab last minute stuff, to pack the car, and hook up the boat. All that's left is to drive to the lake. We park the car head to the beach at the lake and set up. Now it's time to relax and enjoy our lake day!

The Good Guy By Emerald Pitbull is a songwriter, and a singer. He is my favorite artist! He tells stories through his music. Pitbull has a new album coming out called, "Trackhouse", but my favorite song is called, "Mami, mami"! He also starred in the Ugly Dolls movie! Which I love! Pitbull is also touring from April 7 to August 23. It's my dream to see him live in concert! He is soooooo cute!!!!!!

### Sensory Poem: Italian Picnic

By: Tiffani

I see rides and bingo.  
I hear people talking,  
playing games, and music  
playing.

I smell all the yummy food.

I taste corndogs, and  
cotton candy.

I feel so good!

I had fun!

Dear Dad,  
Thank you for all those years you served our nation to keep us safe. We may not have the memory of you being away serving but we still appreciate you for your service. I love you lots. You care for all your kids and family with your whole heart. Happy Memorial Day.  
Love, Sarah
