## Thanksgiving and Family! By: Stephen

My favorite part of Thanksgiving is being in the kitchen! I love to help with the turkey! A few of my favorite sides are yams, and stuffing. After cooking in the kitchen, I like to help clean the dishes. My sister has a really nice kitchen! When we are all done eating, its dessert time! My favorite pie is chocolate, with whip cream. I am most thankful for my sister and brother-in-law!

## My Thanksgiving By: Robert

Thanksgiving is a time when we celebrate pilgrims. I really like the turkey to eat at dinner on Thanksgiving. I enjoy the time off from the Arc, and being home with my family. Especially my mom. We went to my w sister Kayla's house. One of my favorite memories with my dad is having him come to the luncheon at the Arc to celebrate Thanksgiving together.
